Backpack Adventure

A comfortable backpack - ideal for long walks.

This convenient backpack allows you to carry your baby close to your body and to protect your back at the same time. The depth of the back carrier can be adapted to your child's age and ensures a comfortable carrying experience.

Simplest application, perfect fit and an individually adjustable carrying system are only some advantages of the hauck backpack. The canopy protects your child against sun, wind and weather and can be removed if necessary. A practical utensil pocket provides ample space for various baby items.

ADVENTURE - for pleasurable outdoor experiences.

Highlights:

carrying system can be adjusted individually

mobility for your daily life

optimal fit

can be carried in a back-friendly manner

feeling of security for your child
